

GUAM WATERWORKS AUTHORITY

August 21, 2009

American Recovery and Reinvestment Act 1511 Certification

Wastewater System Upgrades – Energy Efficiency

The Guam Waterworks Authority General Manager certifies that this ARRA infrastructure investment of one million eight hundred thirty six thousand and five hundred dollars (\$1,836,500.00) has received the full review and vetting required by law and accepts responsibility that the infrastructure investment is an appropriate use of taxpayer dollars. This investment will fund the upgrade of the wastewater system with high energy efficient equipment. Work will include installing high energy efficient motors, high efficiency diffuser and blow systems, and aerator controls at various wastewater treatment plants and sewage pump stations. This certification will be posted on <http://recovery.guam.gov/>.
