

## GUAM WATERWORKS AUTHORITY

### **American Recovery and Reinvestment Act 1511 Certification**

The Guam Waterworks Authority General Manager certifies that this ARRA infrastructure investment of two million one hundred twenty four thousand dollars (\$2,124,000) has received the full review and vetting required by law and accepts responsibility that the infrastructure investment is an appropriate use of taxpayer dollars. This investment will fund the leak detection program and metering of GWA's water and wastewater facilities. This certification will be posted on <http://recovery.guam.gov/>.
