**American Recovery and Reinvestment Act 1511 Certification**

The Guam Waterworks Authority General Manager certifies that this ARRA infrastructure investment of five hundred and thirty five thousand dollars (\$535,000) has received the full review and vetting required by law and accepts responsibility that the infrastructure investment is an appropriate use of taxpayer dollars. This investment will fund the upgrade of the Umatac - Merizo Wastewater Treatment Plant. Work will include installing high energy efficient motors, high efficiency aerators, new valves, and dredging of the lagoon. This certification will be posted on <http://recovery.guam.gov/>.
